

ELPA21 Non-Participation Codes (2018-19)

All students who are entered in TIDE and did not take an ELPA21 summative test must have a code assigned for each summative test explaining why they did not take the test. Non-Participation codes do not need to be entered for screener tests.

Special Code Description	Special Code Description
No Special Code	Student took the test under standard testing conditions.
1	1 -- Student incorrectly identified as EL (No test required)
2	2 -- Student no longer enrolled in district (No test required)
3	3 -- Chronic absenteeism, suspension, or expulsion (Testing expected)
4	4 -- Residential treatment or alternative placement (Testing expected)
5	5 -- Student/parent/guardian refusal (Testing expected)
6	6 -- School/district logistical issues (Testing expected)
